Introduction:

We are the leading name in scaffolding for housebuilders located in Bristol and the South West. Our business is highly successful, largely due to our collaborative approach where we form ongoing partnerships with our housebuilding clients.

We seek driven, productive and safety conscious Scaffolders to work on our sites around the South West of the UK. You'll be providing a valuable service to the construction industry, supporting other trades during the construction or refurbishment of a building.

Our Scaffolders must be daily advocates with operatives of Scaffteq West's values, holding themselves and others to the highest of standards under each of the values.

Job Duties:

Working for a Scaffteq Supervisor and alongside other scaffolders or labourers you will be responsible for:

- Erecting, adapting and dismantling scaffolding on new build housing sites
- Ensuring that all work is completed to TG20:13 or other approved design
- Ensuring that all work is carried out safety in line with Scaffteq West's RAMS, Site Rules and SG4:15.
- Handing over scaffold elements in-line with our handover procedures

Experience:

Must Have

- Experience of working on new build housing sites with robust Health and Safety requirements.

Qualifications:

- Full UK Drivers License
- CISRS Part 2 Tube and Fitting Scaffolders Card or Advanced Scaffolders Card
